Easter Event Recap!

This years Easter Event was an absolute blast! A big thank you to everyone who came and celebrated with us. We loved hunting for eggs, making s'mores, having cake for Cyndi's birthday and just spending the afternoon in community with one another. :)

Thank you Desjardin's Insurance & KDM Management

We want to give a big, loud THANK YOU to **Jennifer Miles** and the rest of the staff at **Desjardin's Insurance** for supplying the baskets full of eggs to our Sidekicks Easter Event! Another big THANK YOU to **KDM, Rosanna, Kelly**, all the rest of the staff and helping hands at **KDM Management** for the big Easter eggs that they supplied for our Easter Event!

We couldn't have done this without all of you!
